

Day Porter / Matrons

Since 1959, Ajax Building Cleaning Corporation has excelled in its industry, providing specially tailored, top quality building maintenance programs to multiple facility types including some of the largest, most complex facilities in the area including school systems, state offices, office complexes and high tech manufacturing facilities. 46 Years later, Ajax remains a privately held, family owned business and continues to rank among the top building maintenance contractors in New England.

We are presently seeking full time Day Porters / Matrons for general cleaning services in multiple locations in the greater Boston area.

The well being of our employees is one of our major goals. We offer competitive salaries, ongoing training and opportunity for advancement as well as one of the best benefit packages in the industry. Our highly developed "Management Training Program" encourages employees from all areas of the business to take their career to the next level, and provides the support, training and opportunity for them to do so.

For immediate consideration, please use the "Apply Now" page, or call 781-246-4854 for more information and/or to schedule an interview.
